

SERVING COMMERCIAL AND FISHING FLEETS IN WESTERN ALASKA AND THE PACIFIC NORTHWEST

Shipyard Services & Drydock | Marine Construction
Salvage & Emergency Response | Vessel Charters & Marine Support

SHIPYARD SERVICES & DRYDOCK

Unique pier side location.

A 4,000 square foot facility and full service drydock is situated in one of the most remote locations in the western United States. An experienced, local team are masters of their craft.

- Machining
- Welding & Fabrication
- Sandblasting & Painting
- Anode Replacements
- Commercial Diving
- Underwater Welding

MARINE CONSTRUCTION

Local presence in Dutch Harbor.

Reduced mobilization costs result in clients saving time and money.

- Dock Repair
- Concrete / Grout Placement & Repair
- Pile Driving
- Timber Repair

SALVAGE & EMERGENCY RESPONSE

A fleet of tugs, barges, heavy lift and crane equipment support offshore emergency towing, salvage, and emergency response.

Salvage masters, mariners, commercial divers, project managers and environmental technicians are ready 24/7.

- Emergency Towing
- Wreck Removal
- Environmental Response & Remediation
- Emergency Booming
- Heavy Lifts & Cranes

VESSEL CHARTERS & MARINE SUPPORT

Resolve Marine provides economical and timely services.

We move marine supplies, freight, and personnel anywhere within 300 miles of Dutch Harbor. Additional transportation services support government research and filming crews.

- A range of vessels large and small, and small boats, crane, and spud barges

OUR SAFETY CULTURE

The safety and health of our employees is a guiding principle in how we do business, exemplified by our safety culture. We are committed to continual improvement and keeping our people, clients, and the environment safe.
